

# ADVOCATE. EDUCATE. DONATE.

Texas Community Association Advocates, Inc. (TCAA) is the public policy voice in Austin of community association owners and the professionals who serve them.

**We are committed to proactive involvement and advocacy.**

**We are committed to volunteerism.**

**We are committed to strategic thinking and cooperation with other organizations.**

**We are committed to education.**

The 2013 Legislative Session is right around the corner, and we need to ensure we can hire experts who have significant experience in policy, politics, business and regulation. What happens could increase your costs of homeownership and doing business; whether you are a business owner, a homeowner, a CPA, an attorney, management company or board member.

**Please contribute what you can** to make sure we have strong representation in Austin reviewing bills, testifying before committees and advocating laws to protect your HOA and your business.

Your support of our efforts is critical to help build and maintain healthy, stable communities across the Lone Star State.
